This Check by Fax system enables BackProject Corporation to receive a copy of your check via fax, convert it to a new check, and then deposit it just as we would any other check. BackProject Corporation will produce the check in house. All you have to do is write out your check as if you were mailing it, sign it, place your completed check in the box below and fax us a copy with this signed authorization form. Your check will then be produced with the same check number and applied to your account. Simply retain your check and/or fax receipt as proof of payment.
